LEOPARD'S LAIR

luxury bush lodge

Welcome to Leopard's Lair Bush Lodge, where you will experience the Lowveld like never before.

Owners, Simeoné and Anton Lategan, moved to Hoedspruit in 2019 to open the lodge and start their lives together. Being involved with Ecotraining for 25 years, Anton has an inspiring love and passion for nature, wildlife, and conservation. He is an owner of Pridelands and played a crucial role in dropping fences to Balule Nature Reserve to bring Greater Kruger National Park to our doorstep in Hoedspruit. Simeoné grew up in KwaZulu Natal where she spent most of her life in the hospitality industry and eventually left Zululand to move to the Lowveld and live her dream of opening a lodge.

Our lodge is the perfect destination for anyone looking for accommodation in the Hoedspruit area where you can unwind and relax in the tranquillity of nature. We are ideally situated along the Mhlabetsi River in the exclusive area of the Hoedspruit Wildlife Estate where we have an abundance of wildlife, beautiful birdlife, and even regular leopard sightings around the lodge. At night, enjoy the sounds of lions roaring and hyenas calling as Greater Kruger is less than 1km from the lodge.

We offer three beautifully furnished Luxury Suites with en-suite bathrooms, an outdoor shower and a jacuzzi bath. All suites are large free-standing units that sleep 2 guests and have small verandas with stunning views where you can sit back and indulge yourself in the natural beauty. We also have a Family Room that consist of a 2-bedroom unit with an interleading door, perfect for anyone travelling with kids.

Separate from the rooms, we offer a large, fully equipped communal kitchen, lounge, deck and braai area with a spectacular pool overlooking the Mhlabetsi riverbed. We offer daily breakfast, lunch and dinner as well as the option to self-cater. The Hoedspruit Wildlife Estate allows you to explore the abundant natural wonders that flourish in the area with hiking and cycling tracks, bird hides and game drive routes.

We offer daily Sunrise and Sunset Safaris on Pridelands. With the Blyde River Canyon only a short drive away, we work with local companies to organise great activities in the area, from a boat cruise on the Blyde dam, to adventure quad biking, dinner and movie, full day Kruger trips or dinner under the stars.

The Leopard's Lair team is passionate about nature, people and creating unforgettable experiences for guests from all over the world. We're proud to be part of an amazing community and love calling this unique town our home.
