# LEOPARD'S LAIR

## LUXURY BUSH LODGE

There are four beautifully furnished luxury suites with en suite bathrooms, a dressing room, outdoor shower, jacuzzi bath, mosquito net and aircon. All suites are free-standing units that sleep two guests and have small verandas overlooking the river or garden. Here you can sit back and indulge yourself in the natural beauty.

The spectacular pool is also the perfect spot to relax after a hot day in the sun.

The lodge truly is a hidden gem of peace and tranquillity where you can become one with nature. ■

Situated on the bank of the Mohlalabetsi River, you will find the Leopard's Lair Bush Lodge, located in the Hoedspruit Wildlife Estate and within driving distance of the Blyde River Canyon and the Kruger National Park.

The wildlife estate consists of 400ha of conserved Bushveld and guests can engage in activities such as hiking, cycling, bird watching or game drives. At night one can enjoy the roar of the lions or hyenas calling, since the Greater Kruger National Park is less than 1km from the lodge.

The lodge's trump card is definitely its friendly staff and scrumptious meals and the Toerbroers team concluded their visit a few kilograms heavier.

Leopard's Lair offers self-catering accommodation with a fully equipped communal kitchen and braai area, but breakfast is also available at an additional cost.
